August 6, 2019

*A new resource enables working adults to advance their business education at one of the top 6 online business schools in Texas.*

**August 6, 2019—Foster City, CA—**[OnlineColleges.com](http://OnlineColleges.com) recently assessed distance degree programs in business administration offered by Texas online schools and published an overview of the best online business schools within the state.

With Texas boasting the second-largest U.S. economy and greater than 10% of our country's largest private and public corporations, the state is a virtual case study on thriving marketplaces.

### **Notable about Texas' business environment**

- A reasonable cost of living and the absence of state income taxes make Texas an attractive state to start businesses.
- Significant growth in the banking industry creates high demand for commercial bankers, loan officers and other banking professionals.
- Texas has the second-largest hospitality and leisure industry in the United States, according to 2018 Bureau of Labor Statistics data.

### **Best online business schools in Texas**

To help prospective students choose the ideal business school for their career aspirations, OnlineColleges.com considered factors including: tuition costs, student retention and graduation rates. The report explains the advantages of each of the following top online schools:

- The University of the Incarnate Word
- Texas A&M University—College Station
- Central Texas College
- University of North Texas
- LeTourneau University
- University of Houston-Downtown

The complete report, [Best Online Business Schools in Texas](#), provides information on the most popular business degrees in the state as well as highlights of the business-related programs offered by each top school. The study guides prospective students on how to choose a business major, and discusses professional business organizations in Texas.
